Options:

- Tri-color ink roll
- Stand

Three signers are available to process both cut sheet and continuous documents. The FD 150 allows the versatility of imprinting signatures, endorsements, seals and logos onto cut sheet documents. The FD 100 offers continuous document signing with numerous security features and capabilities. The FD 130 combines all of the traditional continuous signing capabilities with ten programmable imprint settings. All of our signers include dual key/lock controls and both resettable and non-resettable counters for maximum audit ability.
